# WORLD MUAY FEDERATION

## PREAMBLE

The World Muay Federation (W.M.F.), originally named in French Language “Fédération Mondiale de Muay F.M.M. “ is a non-profit making organization which is subject to the laws and regulations of the country on whose territory its registered office is located. Its functioning is regulated by these Statutes.

The Statutes are approved and modified by vote of the W.M.F. Congress. These modifications will become the object of a detailed report submitted for the approval of the next Executive Committee meeting.

## 1. CHAPTER I - BASIC PRINCIPLES

### 1.1 AIMS

The Aims of the W.M.F. are:

- 1.1.1 to promote the development of Muay Boran, Muay and Muaythai throughout the world, to tighten the ties of friendship which unite Boxers of all countries, by setting up lasting relations between representative groups, and to nurture the improvement of the practice of our traditional boxing and sport in every way.
- 1.1.2 to see that international competitions open to member federations are organized in accordance with W.M.F Rules.
- 1.1.3 to establish Rules according to which international competitions must be organized.
- 1.1.4 to organize the World Championships, as well as Junior, and Cadet International Championships
- 1.1.5 to authorize and supervise the other official W.M.F. competitions
- 1.1.6 to insure that in international competitions the bans, suspensions, expulsions, disqualification's and all other penalties issued by one of the member federations are respected
- 1.1.7 to study and legislate on all matters pertaining to Muay Boran, Muay and Muaythai in international relations;
- 1.1.8 to promote and develop the struggle against doping and other type of drugs;
- 1.1.9 to promote Muay Boran, Muay and Muaythai to be organized at the Olympic Games in the future.

### 1.2. MEANS OF ACHIEVING THE AIMS

- 1.2.1 The W.M.F. will only acknowledge one sport authority in each country (the “National Federation”) to regulate Muay Boran, Muay and Muaythai. For the definition of "country", the W.M.F. will adopt the interpretation of the International Olympic Committee.
- 1.2.2 The W.M.F. must not interfere in the purely internal functioning of its constituent members.

The W.M.F. grants an international license to compete in its official competitions (cf. chapter 9).

- 1.2.2.1 the W.M.F. requires each member national Federation to apply the principle of political, racial and religious non-discrimination. In particular, no competitor from a member national Federation may take part in an official competition of the W.M.F. or in any other international competition if he refuses to fight against any other competitor correctly entered, unless his refusal is authorized by the Statutes or the Rules. In case of violation of this rule, the competitor will immediately be disqualified, and the Executive Committee will investigate if, and on what charges, a request for a penalty against the member national Federation to which the disqualified competitor belongs should be submitted to the Disciplinary Commission.

- 1.2.2.2 the member Federation which applies as a candidate to organize congresses, official competitions, or any other W.M.F. international events, must be solemnly bound to make the maximum effort to enable all the member Federations to take part in those events, without any discrimination whatever.
- 1.2.2.3 No team or competitor of a member federation has the right to take part in any competition organized by a non-member country or by a “confederation” which is not recognized by the W.M.F. and the converse. Nevertheless, competitors of countries which are not members of the W.M.F. may be registered for competitions organized by member federations, provided that they are in possession of W.M.F. license. They fight under the banner of the W.M.F.
- 1.2.2.4 All members of member federations are forbidden from taking part in competitions or events organized by an individual or entity which is not recognized by the national federation of their country, unless these competitions or events have been specially authorized by that same federation. International competitions which are not organized by a member federation and in which there are more than five nationalities must have the approval of the W.M.F. and must appear on the International Calendar.
- 1.2.2.5 The competition entries are only valid if sent by their member federation, except as permitted in the 2nd paragraph above.
- 1.2.2.6 As an exceptional measure, and in order to develop international Muay Boran, Muay and Muaythai in countries where a National Federation which is a member of the W.M.F. does not yet exist, the member Federations, with the agreement of the W.M.F. Central Office, may accept boxer from non-member countries, specifying in advance the venue and date of the envisaged events. The permission thus granted will have to stress each time that it applies to a match between boxer of one single member Federation and those of one single nonmember country.
- 1.2.3 That all bans, suspensions, expulsions, disqualifications or other penalties issued by a member federation should be made known to the Central Office of the W.M.F. and to all member federations of the W.M.F.

## 7.2.2 Form of the complaint:

- The complaint must be addressed to the administrative office of the E.M.C. within 20 days following the incriminating acts or the date of their discovery. The postmark of the envelope or the reception stamp of the fax establishes the time. The Complaint must note:

7.2.2.1 the full name of the individual or entity, marital status, the nationality, address and title of the complainant(s);

7.2.2.2 the full name of the individual or entity, marital status and nationality of the person being prosecuted or the indication that their address is unknown;

## 7.2.3 The disciplinary panel - composition, powers, obligations:

- The administrative office of the E.M.C. shall send to the president of the Disciplinary Commission within 15 days the complaint, which was sent to him. In the 15 days which follow the transmission of the complaint, the president shall designate 3 members of the Disciplinary Commission to adjudicate the matter. The 3 members of the Disciplinary Commission designated by the president compose the Disciplinary Panel. The president of the Panel is named by the president of the Disciplinary Commission. It is incumbent upon the president to designate these three members so that they are neutral to the controversy and in particular he cannot designate members of the Commission of the same nationality as the organizer of the competition where the act occurred, the complainant or the defendant. He cannot designate any members of the Disciplinary Commission who took part in the organization of the competition or the event concerned, or who had been a witness or a participant in the incriminating facts. The Disciplinary Panel must be able to communicate in the official language of the E.M.C. During the same 15-day period, the president of the Commission will transmit a copy of the complaint to the person(s) designated therein. A copy of the complaint is also sent to the president(s) of the federation(s) to which the parties belong if the case arises, the Disciplinary Panel can, on its own motion, decide that there is no ground to prosecute the complaint which has been submitted to them. The Disciplinary Panel has all of the powers for investigating the complaint, and pronouncing, if the case arises, a penalty. It must, in all circumstances, respect and ensure respect of the rights of the defense.

## 7.3 Procedure before the Disciplinary Panel

The Disciplinary Panel itself chooses a reporter who will be charged with investigating the file, collecting the proofs for and against defendant(s). It can interrogate all witnesses and obtain all useful documents from everyone concerned, if need be by injunction. In case of a refusal to testify or to communicate documents, the Panel refers the matter to the president of the Disciplinary Commission who has the power to penalize the persons withholding material with a fine of 100.00 to 10,000.00 EUR after having summoned them to receive an explanation. The Disciplinary Panel rules on the complaint(s) which have been submitted to it within 2 months following the submission by the president of the Commission. Within this time, it summons the defendant(s) informing them that they have the right to have the assistance of a defender of their choice. The summons must be addressed by certified or registered mail to the defendant(s) at least 20 days before the hearing date fixed by the Disciplinary Panel. It will indicate that the defendant will be able to be assisted or represented by the person of their choice. This summons

will be accompanied by a new copy of the complaint as well as a copy of all the items in the file. If it is impossible or difficult to make such copies, the contents of the file will be held at the disposition of the defendant at the administrative office of the W.M.F. or at another place designated by the President of the Panel. No later than eight days before the hearing, the defendant must communicate to the Disciplinary Panel all of the documents and the testimony on which he intends to base his defiance as well as the identity of the witnesses whom he would like to be heard stating the reason why their evidence will be useful to reaching the truth. The day of the hearing, the president will designate a person to ensure that there is a secretary for the hearing and to keep a record of the various statements under his control. He will verify the identity of the complainant, the defendant and the witnesses. He will invite the reporter to present his report. He then listens to the declarations of the complainant(s) and the defendant(s). He then proceeds to any examination of the witness (es) who will be kept out of the hearing until their turn to testify. The president can hear all persons or ask for all documents useful to discovering the truth. In general, the president alone controls the proceedings, and has the power, if the case arises, to exclude any persons creating a disturbance, to examine or not the witnesses, to order additional investigation, to decide to make a submission to the Disciplinary Commission to penalize the behavior of the parties. At the end of the discussion, the president gives the defendant, his representative, or if the case arises, his defense counsel, the right to speak last. The matter is then considered by the panel. The Disciplinary Panel reaches its decision by a majority vote. In case of difficulty, the president of the Disciplinary Panel can ask the president of the Disciplinary Commission for an additional maximum period of not more than 3 months to gather supplementary information. The supplementary information will be communicated to the defendant and the complainant for them to respond within the time fixed in the cover letter. A new hearing can, if necessary, be called. It will be held according to the same terms and under the same conditions as the first hearing.

#### 7.3.1 Notification of the decision:

- The decision with justification as well as the penalty are forwarded to the president of the Disciplinary Commission. The president of the Disciplinary Commission will notify the defendant, the complainant and their federations of the sentence. This notification is made by certified mail, with acknowledgement of receipt requested.

#### 7.3.2 Place and attendance at the hearing:

- Place The hearings of the Disciplinary Panel will be held at the administrative office of the W.M.F. or in another place chosen by the president of the Panel for reasons of convenience.

#### 7.3.3 Attendance at the hearing:

- The Complainant is not obliged to appear personally. He can express himself to the Commission by any means of communication as well as by sending a memorandum of explanation and supporting documents.
- The Defendant: The presence of the defendant at the hearings is not obligatory. He can be represented by a defender specifically empowered by a written power of attorney or he can attend telephonically by calling at the date and hour indicated in the summons to the place designated by the Panel. The defendant will be responsible for the cost of his transportation and stay as well as those of his defender and any witnesses he may call. In the case of a frivolous complaint, the Disciplinary Commission may charge the complainant for all or part of the expenses of the defendant.

#### 7.3.4 The Witnesses:

- The witnesses are only obliged to appear on the special request of the Disciplinary Panel in which case their traveling expenses will be paid by the W.M.F. If the defendant wishes the physical presence of a witness, he is responsible for asking him to attend and for paying his expenses. Written testimony is permitted. It must

be written, dated and signed in the handwriting of the witness. His signature must be certified according to the applicable laws of the country where he resides. Telephonic testimony is permitted. Before his examination, the president of the Panel will verify his identity by any suitable means.

#### 7.3.5 Form of proceedings:

- The transcripts of the meetings are taken by the secretary of the meeting and signed by the president and the secretary. The initial judgments are signed by the president of the Panel.

#### 7.3.6 Rights of the defiance:

- Any irregularities of the procedure of the Disciplinary Panel may annul its decision if they negatively affect the rights of the defense. The meetings of the Disciplinary Panel are public. The legal proceedings must in all circumstances respect the rights of the defense.

### 7.4 Power of judgment by the Central Office of the E.M.C.:

- In case of emergency, the Central Office of the E.M.C. can take, within the framework of its power to judge, administrative measures suspending the license of the defendant when it has referred the case to the Disciplinary Commission. It can only do this in cases where the severity of the offence or its consequences require it. As a precondition to all such decisions, the president of the E.M.C. shall summon the defendant and the Complainant(s) before the Central Office of the E.M.C. by certified mail, acknowledgement of receipt requested, one week before the meeting, specifying that the defendant can be aided or represented by a person of his choosing. At the time of the meeting, the Central Office shall assure itself that the summons has been properly presented to the defendant. At the close of the meeting, the Central Office announces its decision to the defendant and the complainant by certified mail, acknowledgement of receipt requested. Its decision is binding and subject to appeal pursuant to Article 7.2.7. The duration of any suspension handed down is established by the Central Office. It cannot exceed the date on which the Disciplinary Commission rules. If the Disciplinary Commission orders a certain period of suspension, the administrative suspension ordered by the Central Office of the E.M.C. shall be included in such time. The Central Office will make a report of this suspension at the next regular meeting of the Executive Committee.

- 8.2.2 Each boxer participating in official competitions of the E.M.C. must submit himself to the medical checks and examinations performed according to the Rules of the Medical Commission of the E.M.C.
- 8.2.3 Any boxer refusing to submit himself to these checks or tests, or found guilty of doping will be excluded from the competition.
- 8.2.4 A medal may be withdrawn upon the decision of the Executive Committee at the instigation of a motion from the Medical Committee of the official competitions of the E.M.C., upon a decision of the Executive Committee of the E.M.C.

## 9. CHAPTER IX – LICENSES

### 9.1 LICENCES

#### 9.1.1 Statutory Character of License:

- a license is granted by the E.M.C. in accordance with Article 1.2. bearing the following: The bearer promises not to engage in doping and to submit to all medical checks.

#### 9.1.2 Compulsory Character of License

- This license is compulsory for all Boxer taking part in any official competition of the E.M.C. No entry will be valid if a competitor's name is not accompanied by the number of his E.M.C. license. This license is also compulsory for the following persons:
  - Members of the Executive Committee and of the commissions of the W.M.F.
  - All officials designated for the World Championships
  - All A, B, referees of the official competitions of the W.M.F. (cf. 10.1.1)

#### 9.1.3 Duration of Validity:

- The license is valid for the current of 12 months.

#### 9.1.4 Annual Fee:

- Every application for a license or license renewal must be handed in with a fee which is set for the following year by each Congress or General Assembly.

#### 9.1.5 Application and Issue:

- Every license is supplied by the W.M.F. administrative office; it is issued to those entitled who qualify through their member national federation. Each member federation must note on the license issued to boxers the name of the club to which they belong.
- The Boxer books are supplied to the boxers by their member national federation. The Boxer books supplied by each member federation have to follow the W.M.F. format.
- For those countries which do not yet have a national federation which is a member of the W.M.F. applications are made through the Olympic Committee of the country.
- When a boxer lives in a country other than his own, he must apply for his license to the member federation of the country in which he lives. It is strictly forbidden for a boxer to

- possess more than one international license. A second license applied for from another member federation may only be granted after the cancellation of the first license.
- When a boxer is only visiting another country, he must apply for his license to the member federation of his own country (or to the country where he resides, if he resides in a different country from the country of his nationality).
  - The Central Office may grant an international license to a Boxer who lives in a country where there is neither a national federation which is a member of the W.M.F. nor an Olympic Committee affiliated to the I.O.C. However, if there is a national federation which is a member of the W.M.F. in the country of the boxer's nationality, then the Central Office of the W.M.F. must consult with this member federation before granting the license.

## 9.1.6 Procedure for Issue:

The procedure for delivery and control of licenses are the responsibility of the Executive Committee. Refusal to Grant a License by a member federation, should a member federation refuse to issue an international license, it should inform the W.M.F. Central Office in order to prevent a boxer living in a foreign country from applying again through a different channel. Should a boxer appeal against the decision of the member federation of his country refusing to grant him an international license, the appeal may be sent to the W.M.F. Central Office for investigation and for a Congress decision. When the matter is urgent the Executive Committee makes the decision provisionally, until a decision is reached by the Congress.

## 9.2 BOXER'S NATIONALITY

When a question of nationality is raised in the application of the Statutes and Rules (Boxer, granting licenses, etc.), a boxer residing in a country other than his own must be considered as belonging to both countries.

For official competitions of the E.M.C., competitors must be strictly of the nationality of the country which they are representing:

The Boxer who enjoys multiple nationalities must choose which country he wishes to represent. The fact that he has Boxes for one of the countries implies that he has made a choice. If he wishes to represent another country of which he enjoys nationality, he must so advise the Office of the E.M.F. and he may only represent this other country after an interval of three years from when he advised the Central Office of the E.M.C., during which he can no longer represent the other country.

A boxer who has already represented a country and acquires a new nationality (from being stateless or through naturalization) can only represent his new country after an interval of three years from his last participation in a competition for his previous country.

The boxer who acquires a new nationality as a result of marriage may box for that new country immediately, without waiting three years.

The Executive Committee of the E.M.C., with the agreement of the member federations concerned, and only for just reasons, may reduce or dispense with the interval of three years. The boxer who has never participated in an official competition of the E.M.C. or in a Regional Championships is not constrained by these limitations concerning change of nationality and may box for his new country immediately.

Any change in country which a boxer represents is definitive; no further change can be authorized.

In cases of dispute the Executive Committee of the E.M.C. will make a ruling, which is not subject to appeal.

In the case of other international competitions, the E.M.C., although still in favor of the same ruling, is more tolerant in the matter of countries represented as long as foreigners have actually been residing for five consecutive years in the country which they are invited to represent, and

have not represented their own country for five years. For these same competitions boxers who are legally stateless may compete as long as they are registered by the member federation of the country in which they live.

## 10. CHAPTER X – COMPETITIONS

### 10.1 OFFICIAL COMPETITIONS OF THE E.M.F.

The Official Competitions of the E.M.C. include, the Senior, Junior, and Cadet World Championships for Amateur, ProAm and Pro; as well as the Senior World Cups, the Junior International Cups, and any other competitions designated by the Congress of the W.M.F.
